2018 FIFA World Cup Wikipedia

February 15th, 2019 - 2018 FIFA World Cup 2018 FIFA World Cup is the 21st FIFA World Cup, the quadrennial international football championship for men's national teams organized by FIFA. It is the second most watched sports event in the world, with an estimated 1.1 billion viewers worldwide. The 2018 tournament was held in Russia from June 14 to July 15, 2018. France won the tournament, defeating Croatia 4-2 in the final. This was France's second World Cup title, having previously won in 1998. Croatia finished as runners-up, having never before qualified for the final. The United States and Belgium were the other two teams to reach the quarter-finals, with the United States finishing as third place and Belgium as fourth place. The United States and Belgium were the only teams to reach the quarter-finals from North America and Europe, respectively. The United States and Belgium were the only teams to reach the quarter-finals from their respective continents. The United States and Belgium were the only teams to reach the quarter-finals from their respective continents. The United States and Belgium were the only teams to reach the quarter-finals from their respective continents.
